

6 Easy Steps to Get Started with BEES!

How to Create Your BEES Account

Welcome to BEES! This easy-to-use app makes ordering and invoicing a breeze so you can focus less on logistics and more on your customers.

Here are 6 steps to getting started with the BEES app – and please note that at any time during the registration process, you are able to contact BEES support for additional help.

1. Download the BEES app.

Arguably the most important step! Download the “myBEES USA” app on Android or iOS. It’s free and fast. Look for this logo to know you’ve got the right app.

2. Create your account.

If you don’t already have a BEES account, you’ll need to register. Once you open the app, you’ll see an option to “login” and an option to “Register”. Select “Register” to begin the process of creating your account.

3. Select your country, enter your phone number, and agree to the BEES Terms and Conditions.

This is the first step in a series of steps related to your contact information, which is helpful for ensuring your orders and invoices are processed correctly and sent to the right place.

1. Select the Country.
2. Type your Cellphone Number.
3. Check the Terms and Conditions and Privacy Policy.

You also have the option to register with your email address rather than your phone number as a preferred destination for updates and messages.

Once you have filled in this information, click “Next”.

4. Enter your first and last name, and click “Next”.

5. Password-protect your account.

Set your password, and make it a good one! The BEES app requires a password of at least 8 characters with a mix of uppercase and lowercase letters, numbers, and/or special characters.

Once you have created your password, click “Done”.

6. Fill in your business information.

This information is necessary to ensure your orders and invoices are matched to your account. You will need your account number and invoice number to complete this section. Your invoice and account numbers should be located at the top of your invoices.

Once this information has been entered, click “Done”.

Download the myBEES USA app now to register and start taking advantage of any time ordering and invoicing!

If you have questions related to products, pricing, or deliveries, please contact your sales representative for assistance.
